Dear Tracie,

I am writing to you again in partnership with Campbell County to request your support in continuing the expansion of the holiday light display in the village of Rustburg. In 2023, several ground displays were added to the village to accompany the snowflakes that were first installed in 2022. A Seasons Greetings sign was installed near the Rustburg Rescue Squad, a JOY sign was displayed in front of Rustburg Presbyterian Church, and a lighted tree silhouette was on display at the Historic Courthouse. These additional displays were made possible through generous donations from First National Bank and several other local businesses. The County has continued to receive a tremendous amount of positive feedback from the community through social media, phone calls, and emails.

Citizens are clearly excited and eager to see this project grow in the years to come. You can be a part of the excitement of the Christmas season by supporting the expansion of the light display throughout the County seat. Your donation will be publicly acknowledged, unless you prefer otherwise. Light displays and decorations are deeply discounted after the holiday season, and I assure you that all funds will be used with the utmost efficiency. Your contribution will help everyone who travels through Rustburg to experience the joy and magic of the holiday season. I have already contributed to this exciting project and I hope you will join me.

I would like to sincerely thank you for partnering with us last year. If you have any questions regarding this project, please contact Brooke Wright, County Administration Office Manager, at 434-332-9897.

Sincerely,

Silent Auction Donation Thank You Letter

Dear Kurt:

This certainly moves us closer to our goal of beginning construction so that we may greater serve our community.

Please be advised your donation is tax deductible to our 501C(3) organization and our Tax ID number is **54-0656698** for your tax purposes.

Again, thank you for your kindness and generosity. Your donation shows that you truly care about our cause and the work we do and with supporters like you, we know we can achieve our goals. Thank you for the impact First National Bank has on this community and we are so grateful for your partnership in making a difference.

Dear Ms. Hall:

The Board, Staff and Patients of the Free Clinic wish to express our sincere thanks to First National Bank for partnering with us as a **Sponsor of our Free Clinic Alley Rally**. With your help, we are working to raise critical funds that will provide cancer screenings, medical wellness exams, and essential dental care to our underserved neighbors. Thanks for making this a **FRAME-OUTS OCCASION!**

The Free Clinic is here to provide preventive medical and dental care, as well as ongoing treatment for life-threatening illnesses such as hypertension, diabetes, and asthma. We are able to do this work thanks to support from generous donors like you and our community.

Our goal at the Free Clinic is to ensure that uninsured patients receive the right care, at the right time, and at the right cost. Without the Free Clinic, these patients would seek care at the emergency room -- a high-cost alternative which is not designed for screening or wellness exams. This is especially important with colon cancer because once symptoms begin, it is usually a later stage when treatment is more complicated. A robust Free Clinic reduces healthcare costs for the entire community.

Thank you for your participation in, and commitment to, this event and increasing access to our neighbors in need.

Sincerely,

Dear Tracie,

Thank you for the recent donation of \$4,230.00 to **Read to Them** from First National Bank on January 24, 2024 to sponsor Brosville Elementary School and Robert S. Payne Elementary School for **Virginia Reads One Book 2024**. We greatly appreciate your support. Your generosity allows us to reach families across Virginia, providing family financial literacy education through books, resources, and enriching activities to inspire young readers.

Read to Them brings the joy of reading to families across the country through our **One School, One Book** and **One District, One Book** programs. The popularity and favorable outcomes of these community reading programs led to the evolution of new programs, such as **Virginia Reads One Book**, which launched in February 2018 and will enjoy a seventh round of success this school year. With your support, and the support of The Virginia Bankers Association Education Foundation, we are planning to reach over twenty seven thousand Virginia students and their families in 2024, promoting both a love of reading and family financial literacy.

This year more than ever we recognize how important it is to get books into the hands of children. Your support means so much to us and the children and families we serve.

With gratitude,

Christa Donohue.

Rotary Club
of Forest
FOUNDATION

November 5, 2024

Dear Tracie Gallahan with First National Bank:

THANK YOU for supporting Rotary Club of Forest's 7th Annual Field of Honor!

We are truly fortunate to have a supportive community that values our Heroes! Our small Club was able to raise over \$100,000 two years in a row, another new record with your help! The generosity of our business community speaks volumes to the character and caring for others - this was a very unexpected achievement. Thank you from the bottom of our hearts!

The 2024 display and events were very well attended, we keep growing every year with more plans for the future. We have many highlights to share if you missed visiting with us:

- All 1,000 flags were dedicated to a hero this year before the display was installed - SOLD OUT again. We are looking to increase the number of flags in the display for 2025 to fulfill the demand from sponsors and individuals.
- Truly inspirational speakers shared messages with attendees, including Reverend Brian Moore from Man at Arms Ministry, Major General Bob Dees from National Center of Healthy Veterans, Chief Master Sergeant Eric Johnson, and a heartfelt dedication of The Bob Mihalik Pavilion by Automated Conveyor Systems where the Field of Honor is hosted each year thanks to our Freedom Sponsor.
- Our Desert Heroes were honored this year with The Patriots BBQ raising funds donated to The National Center for Healthy Veterans whose mission is to get our valiant warriors back to health with families, careers, and functioning successfully with their life goals.
- Taps was sounded every evening by live trumpeters as we put the Field to rest.
- The 9/11 Sunset Ceremony always brings us back to where we were on that horrific day that brought destruction to our soil and skies. That day also united us as the great United States of America, banding us together as the war on terror continues to this day.
- The 50/50 Raffle expanded to include donated products and certificates from area businesses. All proceeds are going toward scholarships for graduating seniors heading off to higher learning opportunities.

Proceeds from the Field of Honor are distributed back into our community to further support organizations and projects that focus on veterans, children, and humanitarian services. Spring 2024 was the inaugural awarding for 2 high school scholarships which will become an annual commitment. Rotary Club of Forest continues to add to the playground at the Forest Library. For a complete list of beneficiaries, please visit our website.

www.forestrotary.com

On behalf of the entire Club, our Heroes and our Beneficiaries, thank you again for your support as we continue to honor our heroes, heal those in need, and share the love we all have for our United States of America through our patriotic display.

Sincerely,

Renae Adrian, Field of Honor Chair
